

QUALICA-RD **DRAGON** PRINTER

XXL PVC Badge Printer

One of a kind...

 **3-years warranty!**

- ✓ Waterproof and tear-proof PVC printing
- ✓ High security full color metallic printing
- ✓ Printing in different sizes thanks to integrated automatic cutting
- ✓ Printing on transparent PVC

Features **Qualica-RD DRAGON**

Qualica-RD DRAGON PRINTER is the only printer on the market capable of printing XXL badges on PVC. By printing on PVC, provides additional security to prevent counterfeiting. In addition, it offers high quality photographic prints in various sizes and finishes, ensuring exceptional results.

- **Automatic rewinding and cutting function:** This system allows using a 6x8" PVC roll and, thanks to its automatic cutting capability, printing in different sizes as needed, maximizing the use of the material and eliminating waste.
- **Premium quality:** Photographic printing with vivid and intense colors vivid colors on a resistant and waterproof material.
- **Versatility:** In addition to printing on PVC and translucent PVC, this printer can be used with other types of media, such as photo paper, metallic photo paper, translucent photo paper and high-definition, thus meeting a variety of needs.
- **Applications:** On-site printing of personalized badges for concerts, festivals, events, fairs, congresses, etc.
